

SIERRA MACINTOSH USERS GROUP

April 2010

<http://www.goldrush.com/~smug/Home.html>

"Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software"

Founded March 15th, 1995

Meeting:
Tuesday, April 13th

Arnold Firehouse
EPFD Station 1 on Blagen Road in Arnold
7 pm

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, with an entrance with a door--it's a classroom.

Our Meeting
Feature—Mail

Dick Cross will lead a meeting focused on Apple Mail,

opening discussion about *connection, operation, and options*.

Many, perhaps most of us, use Mail to send and receive text messages without taking advantage of its wide variety of simple and useful capabilities. You can find a wide variety of editing capabilities, “standard Mac features,” that can be enlisted to complete those text message. For example, spell checking can be used as you compose a message. (I didn’t know that! Ye ed.)

Mail usefully links to Address Book, to iChat, and to TextEdit, among other applications.

Bring your questions, and also bring your experiences using Mail capabilities and features!

As always, our meetings are not confined to the featured topic for the evening: if you have a puzzlement, an application hangup, or even a success to tell about, the meeting’s a place to get a number of experienced responses. Come listen and share. (Ask me about shift/command/4. Ye ed.)
