

SIERRA MACINTOSH USERS GROUP

January 2013

www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software

Founded March 15th, 1995

We will meet in January in the Murphys Library

**Tuesday, January 8th
2:00 pm to 4:00 pm**

The meeting will take place in SMUG's winter location, the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park. An easy access is to turn off Main Street at the hotel and go down past the park. Cross over the little bridge and turn left into the library.

From our VP, Bob Reagan:

**SMUG JANUARY MEETING TO ADDRESS
MEMBERS' QUESTIONS**

For those lucky users who received a new Apple computer for Christmas, or for others who are being vexed by their somewhat older Macs, The Sierra Macintosh Users Group (SMUG) will attempt to solve problems during a Question and Answers session, Tuesday, January 8, beginning at 2 p.m. The

meeting will take place in SMUG's winter location, the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park.

SMUG president Dick Cross will lead the discussion aided by other experienced Mac users.

"One of the great things about SMUG is that we all learn from each other," says Cross. "The computer world is ever changing so there is an unending supply of questions. Hopefully, together we can provide answers."

SMUG meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.

TIP

Here's a link to a cool way to have 25 manuals about Mac, including your ipad and iphone, and not have to store another paper book.

Members: *If you have friends or acquaintances with Mac who aren't SMUG members, you might forward this newsletter to them, inviting them to join us and come to our meetings.*

Also,

This newsletter can be a way for you to reach our 145 members if you have a need (hardware? software? other?) or want to share Mac news and information with us but can't get to a meeting. While we invite and urge you to come to our meetings, as you have seen in earlier issues, other members do indeed share here. The newsletter gets assembled about ten days to two weeks before each meeting: this defines our "deadline." Ye Ed.
