www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software

Founded March 15th, 1995

We will meet in **April in the Murphys Library
Tuesday April 10**

SMUG continues in its winter home and schedule, Tuesday, April 10, 2 p.m., in the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park.

April agenda:

**NAVIGATING WITH YOUR IPHONE
SMUG'S APRIL MEETING TOPIC**

"Camping, Wilderness, and Navigation from your Mac and iPhone" will be the main topic when members of the Sierra Macintosh Users Group (SMUG) gather for their monthly meeting Tuesday, April 10 at 2 p.m. in the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park.

Paul Keeton, who is not only SMUG's Treasurer but is also a Search and Rescue volunteer, will be making the presentation. He knows his way around the great outdoors (and also reminds members that their annual dues of \$15 per family are currently due).

Attendees are encouraged to ask questions about any other Mac related subjects.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.
