

SIERRA MACINTOSH USERS GROUP

MEETING APRIL 8, 2014

www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of our computers and software

Founded March 15th, 1995

Meeting will be on the second Tuesday of April 8 at 7:00 pm.

We will meet in the [Arnold Firehouse](#)

Getting to the Arnold Firehouse EPFD Station 1 on Blagen Road in Arnold:

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, and its entrance is a door with a window; it's a classroom.

Macworld Will Be Among The Topics As Smug Moves Back To Arnold

A critique of this year's Macworld / iWorld will be among the topics when the Sierra Macintosh Users Group (SMUG) moves back to its warm-weather meeting place in Arnold for its Tuesday, April 8 meeting that will begin at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Paul Keaton will give his impression of the annual conference that was held March 27-29 in San Francisco's Moscone North. He will share any special tips he learned at the meeting.

Keaton will also lead a question and answer session addressing any concerns members bring to the meeting. As the club treasurer, he will also encourage the members to pay their fifteen-dollar annual dues.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
