

SIERRA MACINTOSH USERS GROUP

MEETING AUGUST 12, 2014

www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of our computers and software

Founded March 15th, 1995

Meeting will be on the second Tuesday of AUGUST at 7:00 pm.

We will meet in the [Arnold Firehouse](#)

Getting to the Arnold Firehouse EPFD Station 1 on Blagen Road in Arnold:

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, and its entrance is a door with a window; it's a classroom.

PROBLEMS WELCOMED AT AUGUST 12 SMUG MEETING

Anyone who is having nagging problems with his or her Apple product, or just wants to know how to take advantage of all its features, is encouraged to attend the next meeting of the Sierra Macintosh Users Group (SMUG) to be held Tuesday, August 12 beginning at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Brian Thomas, Director of Instructional Technology for the Tuolumne County Superintendent of Schools, will be leading the program.

"Everyone has things about their iMac, iPad, or iPhone that are troublesome and hard to rectify," says SMUG president Dick Cross, "How to get these remarkable instruments to do what you want can be frustrating. At our SMUG meetings we all learn from each other's questions and solutions. So we encourage you to bring your concerns to the August meeting and Brian will help us all find answers."

As an added feature, Thomas will take the members on a visit to Yosemite, the latest Apple operating system that will be released this fall.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
