Holiday Party!

Meeting:

**Tuesday, December 13th
7:00 pm**

**Arnold Firehouse
EPFD Station 1 on Blagen Road in Arnold**

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, with an entrance with a door--it's the classroom.

OUR WINTER HOLIDAY PARTY !

Our Tuesday, December 13 SMUG meeting will be the annual Holiday Party and all members are encouraged to attend. It will start at 7 p.m. in our Arnold location. Since there will be no alcoholic beverages you don't have to worry about mountain driving.

It is impossible for us to gather without a bevy of questions and helpful answers, so in addition to enjoying sandwiches, cider, and other tasty treats there will be a sharing of Mac knowledge. And, of course, the exciting year-end raffle.

And the price is right – there is no charge. We were asked if you could bring something to add to the festal board, and we said “certainly” but there is no obligation to do so.

We have added a lot of new members this year, and the party will be a chance to get to know each other better. Please join us.

This will be our last meeting in Arnold for the season. Our January meeting will be Tuesday, January 10, 2:00 p.m. in the Murphys Library's upstairs meeting room.

Winter program

As before, in January, February and March we will move our meetings down to Murphys, meeting in the Murphys Library, in the afternoons.

(Second Tuesday of the month, 2 pm to 4 pm). This change of place and time is to support snow-free driving and relief from driving in the dark.
