

## SIERRA MACINTOSH USERS GROUP January 2010

<http://www.goldrush.com/~smug/Home.html>

"Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software"

Founded March 15th, 1995

**Meeting:**

**Tuesday, January 12th**  
**Murphys Public Library**  
**1:00 to 4:00 pm**

**The Official stuff—**

**Winter meetings!** Anticipating winter weather, we have reserved the meeting room in the Murphys library for January, February and March, **second Tuesday of the month, 1:30 to 4 pm**. The January meeting is our party!

**PARTY! JOIN US FOR OUR SMUG HOLIDAY PARTY. WE WILL HAVE SANDWICHES, COFFEE, APPLE SPARKLING CIDER, NUTS AND COOKIES. WE WILL HAVE GIFTS AND PRIZES IN OUR BEST RAFFLE EVER! SOME ITEMS ARE SPECIAL SURPRISE GIFTS FROM THE APPLE STORE.**

**P.S. MORE ABOUT THE RAFFLE -- IF YOU HAVE A USEFUL MAC-RELATED DEVICE OR HAVE SOFTWARE OR STUFF THAT YOU THINK SOMEONE ELSE WOULD ENJOY USING, EMAIL DICK CROSS OR PHILL HOXIE AHEAD OF TIME, AND PLAN TO BRING IT WITH YOU.**

To get to the Murphys library:

Come in to Murphys onto Main Street (the street with all the shops). Go to the Murphys Hotel (at the West end of town).

If you are coming from route 4, drive through town and turn left just before the hotel, onto South Algiers Street.

If you are coming in from the West along Murphys Grade Road, on Main Street go just past the Murphys Hotel and turn right (South Algiers Street). There's a little sign about the library on the wall across the street (South Algiers Street) from the hotel.

This road dips down and back to the Murphys Park. Go along by the park to just across the bridge over the creek and immediately turn left into the library driveway. Go around back to the library parking. Overflow can park in the big parking lot across the street.

### ***A new approach to Notes and tips:***

Paul Taylor is no longer offering tips from around the world. Instead, what we can offer is a section in this newsletter that will give addresses for sources for tips and techniques and tricks. (We can keep this page of sources alive on all forthcoming copies of the newsletter.) We invite you to send us your addresses or your tips themselves, for adding into this list.
