

SIERRA MACINTOSH USERS GROUP

## MEETING JULY 8, 2014

[www.sierramacintoshusersgroup.org](http://www.sierramacintoshusersgroup.org).

**Founded for the purpose of increasing the knowledge of Macintosh users in the use of our computers and software**

Founded March 15th, 1995

**Meeting will be on the second Tuesday  
of JULY at 7:00 pm.**

**We will meet in the [Arnold Firehouse](#)**

### **Getting to the Arnold Firehouse EPFD Station 1 on Blagen Road in Arnold:**

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, and its entrance is a door with a window; it's a classroom.

## TOPIC OF THE JULY 8 SMUG MEETING

### **GETTING THE MOST FROM IPHOTO**

Making the most of all the features of iPhoto will be the main topic of the next meeting of the Sierra Macintosh Users Group (SMUG) to be held Tuesday, July 8 at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

SMUG president Dick Cross will be making the presentation. He will share with the group the capabilities and limitations of the popular application's current version.

"Organizing, editing, and sharing your photos is made quite simple by iPhoto," says Cross. "We will explore the way to do these operations, and more."

As is always the case at SMUG meetings, questions on all Mac related issues will be encouraged.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at [www.SierraMacintoshUsersGroup.org](http://www.SierraMacintoshUsersGroup.org) or call 795-3798 or 728-9012.
