

SIERRA MACINTOSH USERS GROUP

June 2012

www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software

Founded March 15th, 1995

We will meet in **June and through the summer and fall in the Arnold Firehouse**

**Tuesday, June 12th
7:00 pm**

**Getting to the Arnold Firehouse
EPFD Station 1 on Blagen Road in Arnold:**

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, with an entrance with a door--it's the classroom.

First, some business:

If you change your email address, LET ME KNOW RIGHT AWAY. If you haven't received the current newsletter, again, let me know right away. I'll get a copy to you and we can confirm your email address in my list.

Each month I receive a message from Goldrush listing some SMUG email addresses undelivered-to. They don't tell me the people's names, so tracking you down becomes difficult and sometimes impossible.

Next: You can send your renewal check to Paul Keeton, our treasurer, who has a snail mail address:

28396 Rolling Hills Road
Pioneer, CA 95666-0594

His email address is listed below, if you need to communicate with him other than snail mail.

For our June Meeting

From our VP, Bob Reagan:

Taking advantage of all that Google has to offer will be the main topic when the Sierra Macintosh Users Group (SMUG) holds its monthly meeting on Tuesday, June 12 at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Brian Thomas, Technology Specialist and Trainer for the Calaveras County Office of Education will be making the presentation and leading the discussion.

"Google is so much more than a search engine," he says. "Over the past few years they have developed some of the most innovative and dynamic ways to find, produce and share information. During the meeting we will explore the world of Google and help SMUG members to use their iMacs, iPads and iPhones to tap into the great resources to be found there."

As is always the case with these meetings, there will be subjects covered and questions answered that are not on the agenda.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
