

SIERRA MACINTOSH USERS GROUP

**May 2012**

[www.sierramacintoshusersgroup.org](http://www.sierramacintoshusersgroup.org).

**Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software**

Founded March 15th, 1995

**We will meet in **May** and through the summer and fall in the Arnold Firehouse**

**Tuesday, May 8th  
7:00 pm**

**Getting to the Arnold Firehouse  
EPFD Station 1 on Blagen Road in Arnold:**

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, with an entrance with a door--it's the classroom.

**For our May Meeting**

From our VP, Bob Reagan:

The Apple family of iThings will be explored when the Sierra Macintosh Users Group (SMUG) moves to its warm-weather meeting place in Arnold for its Tuesday, May 8 meeting that will begin at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Brian Thomas, Technology Specialist and Trainer for the Calaveras County Office of Education will be making the presentation and leading the discussion. He will explain the many features of iMacs, iPads, iPhones and help the group take full advantage of iTechnology. As is always the case with these meetings, there will be subjects covered and questions answered that are not on the agenda.

"Brian is an expert on all things Macintosh so his presentations are always informative as well as entertaining," states SMUG President Dick Cross. "His enthusiasm is contagious."

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at [www.SierraMacintoshUsersGroup.org](http://www.SierraMacintoshUsersGroup.org) or call 795-3798 or 728-9012.
