

SIERRA MACINTOSH USERS GROUP

MEETING October 14, 2014

www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of our computers and software

Founded March 15th, 1995

Meeting will be on the second Tuesday of October at 7:00 pm.

We will meet in the [Arnold Firehouse](#)

Getting to the Arnold Firehouse EPFD Station 1 on Blagen Road in Arnold:

The street address is 1037 Blagen Road in Arnold. It is between the Post Office and the Library on Blagen. To reach it you come up (or down) Hwy #4 into Arnold. When you reach the Chevron Station on the left hand side (coming up), you make a gentle left turn onto Blagen Road, which will take you past Ace Hardware and the Post Office. The Station is on the left hand side and is the big building full of Fire Engines if they are not out on a call. To park, drive to the right hand side of the building and into the parking area in the back. If all the spaces are full in the black top area use the gravel area to the right after you pass by the building. The building we use is in the back, and its entrance is a door with a window; it's a classroom.

SPEEDING UP YOUR APPLE IS THE PRINCIPAL SMUG MEETING TOPIC

How to speed up your Mac or iPad, and make it run more efficiently, will be the kick-off topic at the meeting of the Sierra Macintosh Users Group (SMUG) to be held Tuesday, October 14 beginning at 7 p.m.

Brian Thomas, Director of Instructional Technology for the Tuolumne County Superintendent of Schools, will be leading the program. He will demonstrate how to get rid of unused applications and otherwise clean up your Apple products.

Anyone who has been to a Thomas presentation knows he will travel far from the basic topic to provide a variety of tips and educational and entertaining information.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and other mac devices to enable members to take advantage of all their features.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
