

SIERRA MACINTOSH USERS GROUP

MEETING JANUARY 2014

www.sierramacintoshusersgroup.org.

Founded for the purpose of increasing the knowledge of Macintosh users in the use of their computers and software

Founded March 15th, 1995

Our next three meetings will again be "winter hours" in the Murphys Library

Because of iffy weather conditions in higher altitudes, SMUG moves its regular meeting site from its regular Arnold location to Murphys for the months of January, February, and March.

Each meeting will take place in the upstairs community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park. An easy access is to turn off Main Street at the Murphys hotel and go down past the park. Cross over the little bridge and turn left into the library.

Meetings will be on the second Tuesday of January, February and March, from 2 pm to 4 pm.

SEE YOU THERE!

SMUG JANUARY MEETING WILL ADDRESS MEMBERS' COMPUTER QUESTIONS

For those lucky users who received a new iMac, iPad, or

other Apple computer product for Christmas, or for anyone who vexed by his or her somewhat older Macs, The Sierra Macintosh Users Group (SMUG) will attempt to solve problems during the group's monthly meeting, Tuesday, January 14, beginning at 2 p.m. in the community room of the Murphys Library, (upstairs, there's an elevator) 480 Park Lane, adjacent to Murphys Park.

Seth Summersett, a professional computer programmer, will be making the presentation and engaging members in the question and answer session. He is a graduate of Bret Harte High School who has gone on to earn a masters degree in computer science.

SMUG meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.

Trivia:

Here's some summary (not wintery) information from Macworld February:

Mac current product lines

iMac:

Mac Mini:

Mac Pro

MacBook Air

MacBook Pro

Mac iOS Devices:

iPad Air— five models

iPad Mini—three models

iPhone 4s, 5c and 5s

iPod Touch—three models

That's it, folks!
