### **SPEEDING UP YOUR APPLE SMUG MEETING TOPIC**

How to speed up your Mac or iPad, and make it run more efficiently, will be the kick-off topic at the meeting of the Sierra Macintosh Users Group (SMUG) to be held Tuesday, October 14 beginning at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Brian Thomas, Director of Instructional Technology for the Tuolumne County Superintendent of Schools, will be leading the program. He will demonstrate how to get rid of unused applications and otherwise clean up your Apple products.

Anyone who has been to a Thomas presentation knows he will travel far from the basic topic to provide a variety of tips and educational and entertaining information.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs and other Apple products possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at [www.SierraMacintoshUsersGroup.org](http://www.SierraMacintoshUsersGroup.org) or call 795-3798 or 728-9012.
