NO SMUG MEETING IN DECEMBER NEXT – MURPHYS, JANUARY 13

There will be no Sierra Macintosh Users Group (SMUG) meeting in December.

“With all the holiday activities, potentially inclement weather, and other complications, the decision has been made not to try to hold a December meeting” says club president Dick Cross

Starting in January, SMUG will move to its winter home in the Murphys Community Library for three months. The next meeting will be Tuesday, January 13, 2 p.m.

SMUG normally meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
