BRING YOUR COMPUTER QUESTIONS TO SMUG'S FEBRUARY MEETING.

Owners of all Apple products are encouraged to bring their nagging questions to the next meeting of the Sierra Macintosh Users Group (SMUG) to be held, Tuesday, February 10, from 2 to 4 p.m. in the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park.

“All of us, from time to time, run into problems that keep us from making full use of our iMacs, iPads, and iPhones,” says SMUG president Dick Cross, who will be fronting the program. “During the meeting we will attempt to solve these issues and answer all questions.”

Cross will be ably assisted by other SMUG veterans who ascribe to the group's basic philosophy that there is no such thing as a dumb question.

“We all learn from each other's problems and discoveries,” says Cross.

SMUG meetings are open to everyone and there is no charge to attend. The organization exists to keep Apple users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Mac products possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
