SMUG FEBRUARY MEETING TO ADDRESS MEMBERS' COMPUTER QUESTIONS

Anyone who has questions about the use of his or her Apple computer product should plan on attending the Tuesday, February 11 meeting of the Sierra Macintosh Users Group (SMUG) to be held in the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park starting at 2 p.m.

Paul Keeton, SMUG Treasurer and Apple guru, will be on hand to provide answers to iMac, iPod, and iPhone queries with the help of other knowledgeable club members. He will also report on what he learned by attending the 30th Anniversary celebration of the birth of the Macintosh held in Cupertino.

SMUG meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
