QUESTIONS WELCOMED AT SMUG MARCH 14 MEETING

Owners of Apple computer products, including iMacs, iPads and iPhones are encouraged to bring their questions and concerns to The Sierra Macintosh Users Group (SMUG) at its monthly meeting, Tuesday, March 14, from 2 to 4 p.m. in the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park.

This will be this year's last gathering in Murphys. The group will move to its warm weather location in Arnold for its April 11 meeting.

Paul Keeton, who doubles as the SMUG treasurer and one of its resident gurus, will make a presentation and lead the discussion.

SMUG meetings are designed for dues paying members but anyone is welcome to attend to see if they would like to join the group. SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. It meets the second Tuesday of the month, January through November. Annual dues are \$20 for an individual or couple payable at the first of the year.

The organization exists to keep Apple users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Mac products possess.
