### **MACWORLD WILL BE AMONG TOPICS WHEN SMUG MOVES BACK TO ARNOLD**

A critique of this year's Macworld / iWorld will be among the topics when the Sierra Macintosh Users Group (SMUG) moves back to its warm-weather meeting place in Arnold for its Tuesday, April 8 meeting that will begin at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Paul Keaton will give his impression of the annual conference that was held March 27-29 in San Francisco's Moscone North. He will share any special tips he learned at the meeting.

Keaton will also lead a question and answer session addressing any concerns members bring to the meeting. As the club treasurer, he will also encourage the members to pay their fifteen-dollar annual dues.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. For more information visit the SMUG website at [www.SierraMacintoshUsersGroup.org](http://www.SierraMacintoshUsersGroup.org) or call 795-3798 or 728-9012.
