VISIT THE WORLD OF APPLE AT SMUG'S JULY MEETING

The latest developments from Apple, and what to expect in the future, will be on the agenda when the Sierra Macintosh Users Group (SMUG) has its monthly meeting Tuesday, July 11 beginning at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Seth Summersett, a professional computer programmer and one of SMUG's major presenters, will take members on a tour of the world of IMacs, laptops, iPads, and iPhones. During the journey he will take several interesting side trips.

As always, questions about any Apple product or application will be encouraged.

SMUG meetings are designed for dues paying members but anyone is welcome to attend to see if they would like to join the group. SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. It meets the second Tuesday of the month, January through November. Annual dues are \$20 for an individual or couple payable at the first of the year. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

For more information visit the SMUG website at
www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
