### **COOKIES AND OTHER TREATS ON SMUG'S AUGUST 8 MENU**

Cookies, what they are and why you should care, is just one of the topics that will be addressed at the Tuesday, August 8 meeting of the Sierra Macintosh Users Group (SMUG) that will begin at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., Arnold, just off Highway 4.

Brian Thomas, Director of Innovation for the Tuolumne County Superintendent of Schools, will be making the presentation and answering questions. That means that everyone will take home helpful information to make his or her computer experience more productive and enjoyable.

Questions about any Apple product or application will be welcomed and encouraged.

SMUG meetings are designed for dues paying members but anyone is welcome to attend to see if they would like to join the group. SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. It meets the second Tuesday of the month, January through November. Annual dues are \$20 for an individual or couple payable at the first of the year. Members joining mid year need only pay \$10 for 2017.

The organization exists to keep Apple users abreast of the latest

developments and to address the nagging questions that arise from time to time.  
Its goal is to take the mystery out of computers and to enable members to take  
advantage of all the features their Mac products possess.

For more information visit the SMUG website at  
[www.SierraMacintoshUsersGroup.org](http://www.SierraMacintoshUsersGroup.org) or call 795-3798 or 728-9012.
