### **GETTING TO KNOW YOUR iPad IS SMUG SEPTEMBER 10 TOPIC**

Getting to know, and love, your iPad will be the central theme when the Sierra Macintosh Users Group (SMUG) gathers for its Tuesday, September 10 meeting that will begin at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Norm Milsner, one of the founders of SMUG and a long-time Mac devotee, will share his experiences having purchased his first iPad. He will demonstrate what can be accomplished with this popular addition to the Apple family.

As always, the meeting will not be restricted to the main topic. Milsner, and other SMUG members, will attempt to answer any computer-related questions.

SMUG meets the second Tuesday of each month. Meetings are open to everyone and there is no charge to attend. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at [www.SierraMacintoshUsersGroup.org](http://www.SierraMacintoshUsersGroup.org) or call 795-3798 or 728-9012.
