APPLE TV AMONG AGENDA ITEMS AT SMUG'S SEPTEMBER MEETING

An exploration of Apple TV and its many features will be the starting point of the monthly gathering of the Sierra Macintosh Users Group (SMUG) to be held Tuesday, September 12, beginning at 7 p.m. in the assembly room of the Ebbetts Pass Fire District, 1037 Blagen Rd., just off Highway 4.

Seth Summersett, a professional computer programmer and one of SMUG's major experts, will make the presentation. As is always the case at SMUG meetings, after exploring the featured subject the evening will morph into a response to questions raised by those in attendance. Members are encouraged to bring their concerns about any Apple product including IMacs, laptops, iPads, and iPhones.

SMUG meetings are designed for dues paying members but anyone is welcome to attend to see if they would like to join the group. SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. It meets the second Tuesday of the month, January through November. Annual dues are \$20 for an individual or couple payable at the first of the year. The organization exists to keep Mac users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Macs possess.

For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
