Bob Reagan – 728-9012

NO SMUG MEETING UNTIL JANUARY 10 IN MURPHYS

Rather than compete with the election returns, the Sierra Macintosh User Group (SMUG) meeting for Tuesday, November 8 has been cancelled. The group traditionally does not meet in December.

The next SMUG meeting will be Tuesday, January 10, 2 p.m. in the group's winter home, the community room of the Murphys Library, 480 Park Lane, adjacent to Murphys Park. Dick Cross, SMUG's president, will be the presenter. He will give an overview of the iMac and its sister products. This will be of special interest to anyone who was lucky enough to receive a new computer toy for Christmas.

SMUG meetings are open to everyone and there is no charge to attend. The organization exists to keep Apple users abreast of the latest developments and to address the nagging questions that arise from time to time. Its goal is to take the mystery out of computers and to enable members to take advantage of all the features their Mac products possess.

SMUG was founded in 1995 and is a non-profit organization run completely by volunteers. Annual dues are \$15. For more information visit the SMUG website at www.SierraMacintoshUsersGroup.org or call 795-3798 or 728-9012.
